

Follow-Me Fader Console

This fader console adds an extra 4x Faders, 4x encoders and 4x switches to the mouse console. The faders, encoders and switches can be mapped to fixture parameters, Follow-Me actions, camera exposure or target Zoffset.

The console has a Neutrik XLR-4 output to link to the Mouse console.

There is a Neutrik XLR-3 available for an optional LED desk light.
