

# LumiNode / LumiCore

# RELEASE NOTES

---

## **VERSION 2.5.1**

Related products: LuminNode range / LumiCore range.

## DOCUMENT INFORMATION

With this release, Luminex introduces an important bug fix.  
Related products: LuminNode range / LumiCore range.

## FEATURES

No New features are introduced in this release.

## BUG FIXES:

- This release corrects an important bug which sometimes occurred in specific conditions where the LumiNode / LumiCore would start up with default IP settings instead of the user configured IP addresses.
